Fire Department Requirements

- ☐ Call fire department at 764-3333 at the beginning and end of burn.
- ☐ Only approved material may be burned. The burning of trash, garbage, hazardous materials, chemicals, petroleum or rubber products, unapproved material, and any type of Oleander is strictly prohibited.
- ☐ Water under pressure is available.
- ☐ Constant supervision at all times during the burn.
- ☐ Low wind conditions.
- ☐ Smoke must not create a health or safety hazard.
- ☐ No multiple simultaneous burns. Only one pile may be burned at a time.
- ☐ Maintain a 50 foot perimeter from any structure or large vegetation while open burning or barrel burning.
- ☐ Maintain a 4 foot perimeter from any structure or large vegetation while using a mechanical burner.
- ☐ Burn and burn areas must be completely extinguished to ensure there is no residual heat or sparks after burning.
- ☐ The permittee agrees that any violation of this burn permit will be cause for revocation of the permit and extinguishment of the burn and burn areas.
- ☐ Permittee agrees that any violation of this permit that summons the response of the fire department for control or extinguishment of a burn or burn area will be subject for reimbursement to the fire department.

The undersigned permittee hereby consents to observe all applicable Mohave County rules and regulations, Arizona State Fire Code, Uniform Fire Code, and to comply with the additional requirements set forth by the Desert Hills Fire Department. In addition, the undersigned permittee hereby acknowledges that the Desert Hills Fire Department will not be responsible for any property damage, personal injury, or inconvenience incurred directly or indirectly as a result of the issuance and execution of this burn permit.

Burn permits are valid between the hours of 8:00 am and 3:00 pm.

All burns are restricted May 1st, through September 31st.

This permit is valid only for the day applied for and must be validated by the Desert Hills Fire Department.
